Vince,

Great quarter! Keep you the great work! Let's maximize your quarterly and monthly commissions for Q4.

Great job,

John

If this was the NFL, Vince would get a penalty for piling on - thankfully, this is Dialog and we reward this type of behavior! Vince has just closed Alcan Rolled Products on \$11,500 DNE for their Corporate Communications group. This brings Vince to a total of **\$63,200** for Q4! Great work, Vince!

December is going to be GREAT!

Stuart
